Guidelines for using the MyReview system

All submissions, presentations and papers shall be in **English**. The MyReview system should be used for all abstract and full paper submissions. You **DO NOT** need to upload a full paper if you only intend to give an oral presentation. Please be reminded also that each registered and duly paid participant can only present one paper. For more information, please visit the Conference website: <http://www.hkuits.hku.hk/2018-conference/>

If you encounter any difficulties in using the MyReview system to submit your abstract or full paper, please write to the Conference Secretariat (hkits@pctourshk.com or hkits@hku.hk).

Abstract submission is open until **31 July 2018**. If you would like to give an oral presentation at the Conference, please submit your abstract through the [abstract submission interface](#) of the MyReview system. **Full papers are optional**.

Upon acceptance of your abstract, you are welcome to submit a full paper to be considered for Special Issues of academic journals by accessing the [paper submission interface](#) and uploading the file of your full paper. Please note that the system **ONLY** accepts files of **less than 2MB** in size in **PDF (*.pdf)** format. The deadline for full paper submission is **22 August 2018**.

Abstract Submission Instructions

- 1) Go to the homepage of the MyReview system for the Conference (<http://papersubmission.hku.hk/its2018/>).

- 2) Mouse-over 'Authors', and then click 'Submit Abstract' to access the [abstract submission interface](#).
